

Pastor's Note Continued

...That hope in Christ exceeds any of the limitations that conditions and circumstances can present.

Continue to pray for Haiti - that people will still be found alive, that food and water will reach the hungry and thirsty, that shelter and medical supplies will get to where they are needed, that families would be reunited, that orphaned children will be protected and loved, and that through evangelism, Haiti would know the hope and salvation that is in Jesus Christ.

As I drove to church that morning thanking God for saving the young girl from the rubble, I looked up and thanked Jesus for saving me...for I too was caught and buried under the rubble of this world...for I was lost, but now I'm found! How about you? □

LIGHT OF THE WORLD CHURCH

MONTHLY BULLETIN

February 2010

A Note From Pastor Angelo

At our recent Intercessory Prayer Meeting on Wednesday evening, the Holy Spirit led us to spend most of our prayer time interceding for Haiti. As we gathered in the front of the sanctuary, we began praying that people would still be found alive in the rubble of fallen buildings, and that God would lead the searchers right to where people were, even after fifteen days of being buried. Our prayers were divinely led, filled with desperation and compassion. We know that our prayers were in unison with the prayers of millions of believers around the world who are paying for Haiti.

The next morning as I listened to the news before leaving my home for the church office, my heart was apprehended by a newscast that said a young teenage girl was found alive under a building. As they extricated her from the rubble, she only had minor injuries and was dehydrated, but was kept alive by some water and soda under the debris. My heart jumped with a shout of "Thank You, Jesus!"

As we continue to pray for Haiti, God will continue to do miracles in that nation. The discovery of that young girl confirms that with God, all things are possible and that Jesus Christ is our Hope in hopeless situations...
